

# Contractor's Corner

## Masonry Publications

## Free Information and Resources

**ASTM Masonry Standards for the Building Industry, 8th Ed.** - 112 Total ASTM Masonry Standards with Product specifications.

**\$ 270.00**

**Building Code Requirements and Specification for Masonry Structures** - 2016 TMS 402 and TMS 602. Code and Specification, Testing & Inspection Quality Assurance Tables.

**\$ 150.00**

**Concrete Masonry Handbook, 6th Ed.** - A comprehensive guide to concrete masonry construction.

**\$ 55.00**

**Informational Guide to Grouting Masonry** - Intended to assist Contractors and Inspectors in understanding the structural benefits of grouting masonry walls.

**\$ 14.95**

**Inspector's Handbook for Reinforced Grouted Brick Masonry Construction, 15th Ed.** - A brick masonry inspection guide.

**\$ 34.95**

**Masonry Fireplace and Chimney Handbook, 3rd Ed.** - The book includes building codes, energy requirements, specifications and construction data for residential masonry fireplaces.

**\$ 24.95**

**Masonry Veneer, 3rd Ed.** - This publication is a must for understanding what makes a veneer system work.

**\$ 24.95**

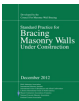

**Reinforced Concrete Masonry Construction Inspector's Handbook, 10th Ed.** - All aspects of reinforced concrete masonry construction and inspection.

**\$ 44.95**

**Reinforcing Steel in Masonry, 5th Ed.** - This book presents details and construction practices for the use of reinforcing steel in masonry.

**\$ 21.95**

**Standard Practice for Bracing Masonry Walls Under Construction** - This Standard was developed to provide a detailed definition of adequate bracing for masonry walls.

**\$ 85.00**

**Standards for Architectural Cast Stone** - This publications covers the design, fabrication and installation of architectural cast stone.

**\$ 75.00**

**BIM for Masonry** - BIM Deliverables for Masonry Contractors Volumes I & II (Downloadable PDF). [www.bimformasonry.org](http://www.bimformasonry.org)

**Brick Industry Association** - Technical Notes on Brick Construction are FREE bulletins that contain design, detailing, and construction information based on the latest technical developments in brick masonry. [www.gobrick.com](http://www.gobrick.com)

**Buckley Rumford Fireplaces** - Fireplace Plans & Instructions; Specifications; Masonry Chimney Clearances. [www.rumford.com](http://www.rumford.com)

**Cast Stone Institute** - Technical Bulletins; specifications, touch-up and repair instructions. [www.caststone.org](http://www.caststone.org)

**Concrete Masonry Association of California and Nevada** - Downloadable: Analysis; Building Studies; Masonry Articles; Typical Masonry Details. [www.cmacn.org](http://www.cmacn.org)

**International Masonry Institute** - Masonry Detailing Series - Details for brick, block, and stone masonry systems. [www.imiweb.org](http://www.imiweb.org)

**Masonry Institute of America:** Find information on: How to Become a Masonry Inspector; How to Become a Contractor; Contractor Alerts; Past & Present Masonry Projects. Do you need help with current building code and material standards, or masonry project specifications, we can help.

[www.masonryinstitute.org](http://www.masonryinstitute.org)

**National Concrete Masonry Association** - [Solution Center](#) a free on-line design and construction resource for Manufactured Concrete Products; and Manufactured Stone Veneer.

[www.ncma.org](http://www.ncma.org)

**Natural Stone Institute** - [Resource Library](#) - Downloadable files about all varieties of natural stone.

[www.naturalstoneinstitute.org](http://www.naturalstoneinstitute.org)

**Masonry Wall Systems** - Download Details of Masonry Wall Systems. [www.masonrysystems.org](http://www.masonrysystems.org)

**The Masonry Society** - [Publications](#) - Masonry is Sustainable Brochure; Masonry Inspection Checklist; Masonry Preconstruction Topic Sheets. [www.masonrysociety.org](http://www.masonrysociety.org)

**Western States Clay Products Association** - On-line publications - technical information for enhancing quality use of clay brick construction with special attention directed to the seismic performance of clay brick. [www.wscpa.us](http://www.wscpa.us)

**Why Masonry?** Four Reasons Your Next Building Should Be Built with Concrete Masonry. [www.whymasonry.org](http://www.whymasonry.org)

These publications along with other masonry related publications can be purchased on-line at [www.masonryinstitute.org](http://www.masonryinstitute.org)
